MILAN - ITALY
FEBRUARY 23RD-25TH, 2023

Monaco, 04 November 2022

Object: Request of endorsement for the 3rd European Bronchiectasis Workshop

Dear Professor,

We are contacting you on behalf of the Organizing and Scientific Committee of the “3rd European Bronchiectasis workshop” (**EBROW**) scheduled to take place in **Milan, Italy from February 23rd to 25th, 2023**.

Please find enclosed a copy of the **Preliminary Programme** where you will find more detailed information about the Workshop, which is focused on the latest outcomes related to **the diagnosis and management of Bronchiectasis and its comorbidities**.

During this biennial appointment a small but very committed international community of scientists and experts in the field **will meet again to exchange and learn about the novelties in diagnosis, management and treatment of these complex pathologies** which are still often misdiagnosed and even more often overlooked.

Joining forces, exchanging clinical experiences, sharing data and ideas, **enlarging the network of active experts and investigators in the field of Bronchiectasis are the main goals of the Workshop**.

We would be obliged if your esteemed association could consider endorsing the conference scientific programme and cooperate to the diffusion of the information on a free mutual exchange basis. We would like to offer to **publish your logo**, and eventually a banner of your next conference, with a direct link to your website, on <https://bronchiectasis-eu.org/2023/>, the Workshop website. Furthermore, we would be happy to **share your flyer/leaflet** during our event.

We will be grateful if you could, in exchange, do the same from your side. You can find our promotional material by clicking on the [link](#). We also kindly ask you to inform your members about the Workshop on your website, newsletter, and other means you may consider useful. In exchange your logo will also be published in the **final programme, the Workshop Virtual Platform and in all the graphic material to be displayed on site**.

If you agree with our proposal, we would appreciate if you could provide us with your logo in a high-resolution format.

We look forward to your kind reply and remain at your entire disposal should you need any further information.

With our best regards,
The Organizing Secretariat,
